

## **District 1 Commissioner Appointee Qualifications and Term Acknowledgement**

### **Minimum Qualifications of Appointee**

The appointee must be “qualified” to fill the vacant position per RCW 42.12.070(1). To be qualified to serve as a Port Commissioner, a person must, at a minimum, be a registered voter who resides within the boundaries of the District 1 of the Port district to be served (see list of District 1 precincts on the second page of this form) per RCW 53.12.010(1). Applicants will be required to demonstrate their voter registration by name, address and precinct number, and that information will be verified by the County Auditor.

### **Term of Appointee**

A vacated office shall appear on the ballot of the next election at which a member of the governing body normally would be elected, and the appointee shall serve until a qualified person is elected to the position per RCW 42.12.070(6). The District 1 Appointee will serve until the 2019 general election returns are certified. The winner of that election will take office immediately and will serve both the remainder of the District 1 Appointee’s term (through December 31, 2019) and the full 6-year term commencing in January 2020 per RCW 29A.24.020. The election winner will be sworn in for the short term ending December 31, 2019, and again for the full term beginning January 2020.
